

## REPORT TO PARENTS: BENEFITS OF READING 15 MINUTES A DAY

Encouraging children to read at home—even for just 15 minutes a day—is one of the most powerful ways parents can support students' learning.

- 1** Create a "to-read" list that your child can check off.
- 2** The topic doesn't matter, as long as your child's reading.
- 3** Read as a family—taking turns reading passages.
- 4** During reading time, put away electronic devices.
- 5** Ask open-ended questions about your child's books.
- 6** Make it a habit with routine read-aloud sessions.
